

Resolution No. 15-1049

WHEREAS, the City of Clarksville has been made aware of the plans of Plains All American Pipeline, L.P., to construct an oil pipeline through and across Johnson County, Arkansas; and,

WHEREAS, the projected route of said pipeline crosses certain acres that are vital to the water supply of the City of Clarksville, its citizens and customers,

NOW THEREFORE, BE IT RESOLVED BY the City Council of the City of Clarksville, Arkansas, that:

1. The City of Clarksville is committed to the protection of its water supply and the watershed areas that supply it.
2. The planning, siting and construction of any energy resources including the pipeline by Plains All American Pipeline, L.P., should be scrutinized in great detail so as to properly evaluate their impact on the environment in general and on the water supply and attendant watersheds of the City of Clarksville specifically.
3. The City of Clarksville encourages all administrative and regulatory boards dealing with said pipeline in any way to strictly scrutinize all applications, requests, permits and the like to ensure that the water supply and watershed for the City of Clarksville and its citizens are protected from any and all potential threat or harm. Furthermore, any such entity should conduct the requisite public hearings and give due notice thereof to the City of Clarksville and its citizens and should require the pipeline project to obtain individual permits for each water supply or watershed area it affects.

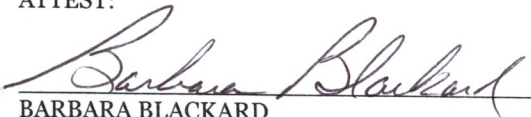

BE IT SO RESOLVED.

PASSED this 10th day of August, 2015.
