

RESOLUTION NO. 20-1085

**CLARKSVILLE ARKANSAS IS ESSENTIAL: IN SUPPORT OF FAIR, DIRECT
FEDERAL EMERGENCY SUPPORT TO REOPEN AND REBUILD LOCAL AMERICAN
ECONOMIES**

WHEREAS, America's cities, towns and villages face unprecedented threats due to the ongoing COVID-19 pandemic emergency; and

WHEREAS, municipalities are essential to America's economic recovery and without funding support for local governments, municipalities may go from being a critical part of the economic solution, to becoming a major obstacle to long-term stabilization and recovery; and

WHEREAS, America's cities, towns and villages will experience budgetary shortfalls in fiscal year 2020 alone, and the negative effects of the pandemic emergency on local communities will continue long after this year; and

WHEREAS, three million critical municipal worker jobs are at risk, threatening cuts to basic community services, including 9-1-1 response, sanitation, and maintenance; and

WHEREAS, communities have taken extraordinary measures to protect health, safety, and the continuation of essential services throughout the emergency; and

WHEREAS, the city of Clarksville has been impacted and responded to the Covid-19 Pandemic without decreasing our workforce continuing to provide critical services to our citizens and responding to all emergency situations.

WHEREAS, the city has maintained the same level of service, managing staff to decrease the likely spread of the disease within the workforce, while working with a decreasing revenue stream; and

WHEREAS, America's rural communities and small towns are struggling just as much as big cities and risk being left behind or wiped out entirely.

NOW, THEREFORE, BE IT RESOLVED that the City of Clarksville, Arkansas, calls on Congress to allocate fair and direct federal support to all of America's communities, regardless of population size; and

BE IT FURTHER RESOLVED that this funding must be flexible and address not only the additional expenses incurred by communities to respond to the pandemic emergency, but also the dramatic budgetary shortfalls resulting from pauses in commerce, tourism, other economic engines; and

BE IT FURTHER RESOLVED that local governments will ensure federal funds are immediately used to rebuild and reopen the national economy; and

BE IT FURTHER RESOLVED that funding will keep middle class workers employed and critical services operating; and

BE IT FURTHER RESOLVED THAT the City of Clarksville, Arkansas, has been part of the emergency response and now calls on Congress to build a united national partnership for a safe, healthy, prosperous life.
